2. **Maximum Penalties**

Count One carries a maximum sentence of up to 20 years' imprisonment, a fine of \$250,000, a term of supervised release of not less than 5 years, or life, and a special assessment of \$100 per felony count, said special assessment is due on the date of sentencing. Pursuant to Title 18, United States Code, Section 3583(k), if the defendant is required to register under the Sex Offender Registration and Notification Act and commits any criminal felony offense under Title 18, United States Code, Chapters 109A, 110 or 117, or Sections 1201 or 1591, the Court shall revoke the term of supervised release and require the defendant to serve a term of imprisonment of not less than 5 years and up to life. Any other violation of the terms and conditions of supervised release is punishable by a term of imprisonment of up to 2 years. With respect to certain offenses, the Court shall order the defendant to make restitution to any victim of the offense(s), and with respect to other offenses, the Court may order the defendant to make restitution to any victim of the offense(s), or to the community, as set forth below.

Additionally, pursuant to 18 U.S.C. § 3014, the Court shall impose a \$5,000 special assessment on any non-indigent defendant convicted of an offense in violation of certain enumerated statutes involving: (1) peonage, slavery, and trafficking in persons; (2) sexual abuse; (3) sexual

exploitation and other abuse of children; (4) transportation for illegal sexual activity; or (5) human smuggling in violation of the Immigration and Nationality Act (exempting any individual involved in the smuggling of an alien who is the alien's spouse, parent, son or daughter).

3. **Elements of the Offense(s)**

The defendant acknowledges understanding the nature and elements of the offense with which defendant has been charged and to which defendant is pleading guilty. The elements of Count One are:

- First:** That the defendant knowingly possessed an item or items of child pornography;
- Second:** That such visual depictions of child pornography had been shipped and transported using a facility of interstate and foreign commerce, that is, by computer via the internet;
- Third:** That the production of such visual depictions involved the use of minor children engaging in sexually explicit conduct;
- Fourth:** That such visual depictions each show minor children engaging in sexually explicit conduct; and
- Fifth:** That the defendant knew that at least one of the performers in such visual depictions was a minor child and knew that the visual depictions each show such a minor engaged in sexually explicit conduct.

4. **No Further Charges**

If the Court accepts this plea agreement, the United States Attorney's Office for the Northern District of Florida agrees not to charge defendant with committing any other federal criminal offenses known to the United States Attorney's Office at the time of the execution of this agreement, related to the conduct giving rise to this plea agreement.

5. **Acceptance of Responsibility - Three Levels**

At the time of sentencing, and in the event that no adverse information is received suggesting such a recommendation to be unwarranted, the United States will recommend to the Court that the defendant receive a two-level downward adjustment for acceptance of responsibility, pursuant to USSG §3E1.1(a). The defendant understands that this recommendation or request is not binding on the Court, and if not accepted by the Court, the defendant will not be allowed to withdraw from the plea.

Further, at the time of sentencing, if the defendant's offense level prior to operation of subsection (a) is level 16 or greater, and if the defendant complies with the provisions of USSG §3E1.1(b) and all terms of this Plea Agreement, including but not limited to, the timely submission of the financial affidavit referenced in Paragraph B.5., the United States agrees to file a motion pursuant to USSG §3E1.1(b) for a downward adjustment of one additional

level. The defendant understands that the determination as to whether the defendant has qualified for a downward adjustment of a third level for acceptance of responsibility rests solely with the United States Attorney for the Northern District of Florida, and the defendant agrees that the defendant cannot and will not challenge that determination, whether by appeal, collateral attack, or otherwise.

6. **Forfeiture of Assets**

The defendant agrees to forfeit to the United States immediately and voluntarily any and all assets and property, or portions thereof, subject to forfeiture, pursuant to 18 U.S.C. § 2253, whether in the possession or control of the United States, the defendant or defendant's nominees.

The assets to be forfeited specifically include, but are not limited to, the following:

- a. (1) Hewlett Packard Laptop 15-ab 157cl, SN: 5CD5300Z99;
- b. (1) Apple iPad Mini, SN: F9FP788KFCM5;
- c. (1) SanDisk Ultra Thumb Drive, SN: BN160725619B3;
- d. (1) Lexar 64 GB Thumb Drive, SN: LIDTT64G-090-308K;
- e. (1) SanDisk Cruzer Thumb Drive, SN: B1131124456N;
- f. (1) Turbo Class SD card 16GB, SN: G16GNMC870885;
- g. (1) SanDisk Micro SD card, SN: 7927XR5722L2; and

h. (3) Three unmarked Thumb Drives, with no Serial Numbers, which assets were used to distribute, receive and/or possess child pornography. The defendant further herein consents to the filing of a motion by the United States for immediate entry of a Preliminary Order of Forfeiture.

The defendant agrees and consents to the forfeiture of these assets pursuant to any federal criminal, civil judicial or administrative forfeiture action. The defendant also agrees to waive all constitutional, statutory and procedural challenges (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture described herein constitutes an excessive fine, was not properly noticed in the charging instrument, addressed by the Court at the time of the guilty plea, announced at sentencing, or incorporated into the judgment.

7. **Sex Offender Registration and Notification**

The defendant has been advised and understands, that under the Sex Offender Registration and Notification Act, a federal law, the defendant must register and keep the registration current in each of the following jurisdictions: the location of the defendant's residence, the location of the defendant's employment; and, if the defendant is a student, the location of the defendant's school. Registration will require that the defendant provide

information that includes name, residence address, and the names and addresses of any places at which the defendant is or will be an employee or a student. The defendant understands that he must update his registrations not later than three business days after any change of name, residence, employment, or student status. The defendant understands that failure to comply with these obligations subjects the defendant to prosecution for failure to register under federal law, 18 U.S.C. § 2250, which is punishable by a fine or imprisonment, or both.

B. Standard Terms and Conditions

1. Restitution, Special Assessment and Fine

The defendant understands and agrees that the Court, in addition to or in lieu of any other penalty, shall order the defendant to make restitution to any victim of the offense(s), pursuant to 18 U.S.C. § 3663A, for all offenses described in 18 U.S.C. § 3663A(c)(1); and the Court may order the defendant to make restitution to any victim of the offense(s), pursuant to 18 U.S.C. § 3663, including restitution as to all counts charged, whether or not the defendant enters a plea of guilty to such counts, and whether or not such counts are dismissed pursuant to this agreement. The defendant further understands that compliance with any restitution payment plan imposed by the Court in no way precludes the United States from simultaneously pursuing

other statutory remedies for collecting restitution (28 U.S.C. § 3003(b)(2)), including, but not limited to, garnishment and execution, pursuant to the Mandatory Victims Restitution Act, in order to ensure that the defendant's restitution obligation is satisfied. On each count to which a plea of guilty is entered, the Court shall impose a special assessment pursuant to 18 U.S.C. § 3013. The special assessment is due on the date of sentencing. The defendant understands that this agreement imposes no limitation as to fine.

2. **Supervised Release**

The defendant understands that the offense(s) to which the defendant is pleading provide(s) for imposition of a term of supervised release upon release from imprisonment, and that, if the defendant should violate the conditions of release, the defendant would be subject to a further term of imprisonment.

3. **Immigration Consequences of Pleading Guilty**

The defendant has been advised and understands that, upon conviction, a defendant who is not a United States citizen may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

4. **Sentencing Information**

The United States reserves its right and obligation to report to the Court and the United States Probation Office all information concerning the background, character, and conduct of the defendant, to provide relevant factual information, including the totality of the defendant's criminal activities, if any, not limited to the count(s) to which defendant pleads, to respond to comments made by the defendant or defendant's counsel, and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject to any limitations set forth herein, if any.

5. **Financial Disclosures**

Pursuant to 18 U.S.C. § 3664(d)(3) and Fed. R. Crim. P. 32(d)(2)(A)(ii), the defendant agrees to complete and submit to the United States Attorney's Office within 30 days of execution of this agreement an affidavit reflecting the defendant's financial condition. The defendant promises that his financial statement and disclosures will be complete, accurate and truthful and will include all assets in which he has any interest or over which the defendant exercises control, directly or indirectly, including those held by a spouse, dependent, nominee or other third party. The defendant further agrees to execute any documents requested by the United

States needed to obtain from any third parties any records of assets owned by the defendant, directly or through a nominee, and, by the execution of this Plea Agreement, consents to the release of the defendant's tax returns for the previous five years. The defendant similarly agrees and authorizes the United States Attorney's Office to provide to, and obtain from, the United States Probation Office, the financial affidavit, any of the defendant's federal, state, and local tax returns, bank records and any other financial information concerning the defendant, for the purpose of making any recommendations to the Court and for collecting any assessments, fines, restitution, or forfeiture ordered by the Court. The defendant expressly authorizes the United States Attorney's Office to obtain current credit reports in order to evaluate the defendant's ability to satisfy any financial obligation imposed by the Court.

6. **Sentencing Recommendations**

It is understood by the parties that the Court is neither a party to nor bound by this agreement. The Court may accept or reject the agreement, or defer a decision until it has had an opportunity to consider the presentence report prepared by the United States Probation Office. The defendant understands and acknowledges that, although the parties are permitted to make recommendations and present arguments to the Court, the sentence will be determined solely by the Court, with the assistance of the United States

Probation Office. Defendant further understands and acknowledges that any discussions between defendant or defendant's attorney and the attorney or other agents for the government regarding any recommendations by the government are not binding on the Court and that, should any recommendations be rejected, defendant will not be permitted to withdraw defendant's plea pursuant to this Plea Agreement. The government expressly reserves the right to support and defend any decision that the Court may make with regard to the defendant's sentence, whether or not such decision is consistent with the government's recommendations contained herein.

7. **Defendant's Waiver of Right to Appeal the Sentence**

The defendant agrees that this Court has jurisdiction and authority to impose any sentence up to the statutory maximum and expressly waives the right to appeal defendant's sentence on any ground, including the ground that the Court erred in determining the applicable guidelines range pursuant to the United States Sentencing Guidelines, except (a) the ground that the sentence exceeds the defendant's applicable guidelines range as determined by the Court pursuant to the United States Sentencing Guidelines; (b) the ground that the sentence exceeds the statutory maximum penalty; or (c) the ground that the sentence violates the Eighth Amendment to the Constitution; provided, however, that if the government exercises its right to

appeal the sentence imposed, as authorized by 18 U.S.C. § 3742(b), then the defendant is released from his waiver and may appeal the sentence as authorized by 18 U.S.C. § 3742(a).

8. **Northern District of Florida Agreement**

It is further understood that this agreement is limited to the Office of the United States Attorney for the Northern District of Florida, and covers the conduct giving rise to the indictment in the Middle District of Florida, and cannot bind other federal, state, or local prosecuting authorities, although this office will bring defendant's cooperation, if any, to the attention of other prosecuting officers or others, if requested.

9. **Filing of Agreement**

This agreement shall be presented to the Court, in open court or in camera, in whole or in part, upon a showing of good cause, and filed in this cause, at the time of defendant's entry of a plea of guilty pursuant hereto.

10. **Voluntariness**

The defendant acknowledges that defendant is entering into this agreement and is pleading guilty freely and voluntarily without reliance upon any discussions between the attorney for the government and the defendant and defendant's attorney and without promise of benefit of any kind (other than the concessions contained herein), and without threats, force,

intimidation, or coercion of any kind. The defendant further acknowledges defendant's understanding of the nature of the offense or offenses to which defendant is pleading guilty and the elements thereof, including the penalties provided by law, and defendant's complete satisfaction with the representation and advice received from defendant's undersigned counsel (if any). The defendant also understands that defendant has the right to plead not guilty or to persist in that plea if it has already been made, and that defendant has the right to be tried by a jury with the assistance of counsel, the right to confront and cross-examine the witnesses against defendant, the right against compulsory self-incrimination, and the right to compulsory process for the attendance of witnesses to testify in defendant's defense; but, by pleading guilty, defendant waives or gives up those rights and there will be no trial. The defendant further understands that if defendant pleads guilty, the Court may ask defendant questions about the offense or offenses to which defendant pleaded, and if defendant answers those questions under oath, on the record, and in the presence of counsel (if any), defendant's answers may later be used against defendant in a prosecution for perjury or false statement. The defendant also understands that defendant will be adjudicated guilty of the offenses to which defendant has pleaded and, if any of such offenses are

felonies, may thereby be deprived of certain rights, such as the right to vote, to hold public office, to serve on a jury, or to have possession of firearms.

11. **Factual Basis**

Defendant is pleading guilty because defendant is in fact guilty.

The defendant certifies that defendant does hereby admit that the facts set forth in the attached "Factual Basis," which is incorporated herein by reference, are true, and were this case to go to trial, the United States would be able to prove those specific facts and others beyond a reasonable doubt.

12. **Entire Agreement**

This plea agreement constitutes the entire agreement between the government and the defendant with respect to the aforementioned guilty plea and no other promises, agreements, or representations exist or have been made to the defendant or defendant's attorney with regard to such guilty plea.

13. Certification

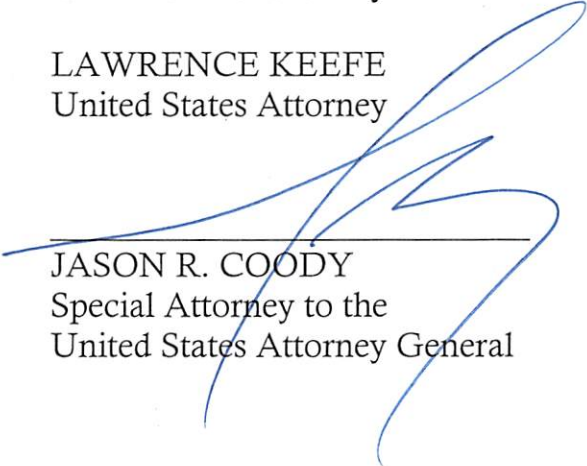

The defendant and defendant's counsel certify that this plea agreement has been read in its entirety by (or has been read to) the defendant and that defendant fully understands its terms.

CASE NO. 3:18-cr-212-BJD-JBT

ROBERT THOMAS DARENBERG

FACTUAL BASIS

On November 13, 2018, T.P., the girlfriend of Middle District of Florida (“MDFL”) United States Attorney’s Office (“USAO”) Information Technology Administrator Robert Thomas Darenberg, inadvertently discovered file names on Darenberg’s HP laptop computer that were indicative of child pornography. T.P. called Darenberg at work inquiring about the graphic file names. Darenberg refused to answer any questions, immediately left work at the USAO, and went directly to T.P.’s residence, where he had been residing.

Fearing that Darenberg may delete the files, T.P. took screenshots of the file names and forwarded them to a third party. Upon arrival, Darenberg immediately went to his laptop and began to use the computer. T.P. left the room to gather some of Darenberg’s belongings. When she returned she observed Darenberg in possession of her cellphone. Following his departure, she realized that Darenberg had deleted the screenshots from her phone. She immediately made a report with the Jacksonville Sheriff’s Office (“JSO”)

regarding the suspected child pornography, and advised that Darenberg possessed numerous firearms.

HSI INVESTIGATION

On November 15, 2018, agents with the Department of Homeland Security Investigations ("HSI") were advised of the investigation by JSO investigators. Agents responded to JSO and took possession of the screenshots that had been taken by T.P. Upon review, the agents observed an HP emblem on the computer and that the file titles were located in the "Downloads" folder. The photos taken by T.P. indicated activity on a VLC Media Player on November 6, 2018, and November 8, 2018. A sample of the photographed file titles are listed below:

USAO INTERVIEW / EMPLOYMENT VERIFICATION

Agents contacted representatives of the USAO, who confirmed Darenberg's employment as an IT Specialist in the Jacksonville office. USAO management also confirmed that Darenberg did not obtain any of the seized

files containing child pornography as part of his work-related duties. Representatives further advised that Darenberg was on work-related travel to Pennsylvania during the week of November 4 – 9, 2018. USAO management added that Darenberg called in sick on November 14th and 15th - the two days following T.P.'s discovery of the computer files.

VEHICLE SURVEILLANCE / DARENBERG CONTACT

On November 19, 2018, surveillance agents followed Darenberg from his mother's residence to the Ed Ball parking garage located directly across the street from the Bryan Simpson Federal Courthouse in downtown Jacksonville. Agents observed Darenberg park his black F-150 pickup, exit the parking garage, and enter the Federal Courthouse. Agents approached Darenberg's pickup and observed a light tan and burgundy backpack, which T.P. had previously identified as being used by Darenberg to carry his HP laptop computer. Agents photographed the backpack through the window of the truck and when shown to T.P. she immediately stated, "that's the backpack." Agents asked about the backpack and T.P. stated, "the one the laptop is in."

Agents maintained surveillance of Darenberg's pickup continuously throughout the day. At approximately 3:50 pm, agents observed Darenberg exit the United States Courthouse utilizing an employee side door and walk directly across the street and through the doors that led to the elevator access of the Ed

Ball parking garage. This information was relayed to other agents conducting surveillance of Darenberg's pickup. Agents observed Darenberg unlock his pickup using a remote access device, open the driver's side door, and begin to place his right leg into the vehicle threshold. Agents contacted Darenberg by saying "Sir", identifying themselves as federal agents and requested to speak with him. Darenberg quickly took his leg out of the truck, shut the door, and locked it with the remote device as the agents approached.

The agents advised Darenberg that they were following up on an investigation and knew he worked at the USAO. They explained that they contacted him at his truck so as not to bring attention to him at his place of employment. The agents then advised they knew Darenberg possessed a concealed weapons permit, and asked if he was armed. Darenberg said he was, and immediately reached his hand into his right front pocket. An agent told him to stop and placed his hand on the exterior of Darenberg's pocket, and felt what the agent recognized to be the handle of a firearm. Darenberg took his hand out of his pocket and the agent removed a loaded North American Arms .22 caliber revolver within a holster. Darenberg was allowed to retrieve his concealed weapons license from his wallet. As an agent started to ask if he had any other weapons, Darenberg said he wanted a lawyer and looked toward an agent and said, "Aaron, what's this about?"

REVIEW OF COURTHOUSE SURVEILLANCE / ACCESS LOGS

Shortly after Darenberg was detained, agents contacted the United States Courthouse Court Security Officers (“CSOs”) to obtain access surveillance recordings and any electronic access logs relative to Darenberg’s exit from the courthouse. Agents reviewed the video surveillance recordings and observed that Darenberg had entered the first floor hallway that was only accessible by employees with a key card. Darenberg was then observed walking out of the courthouse utilizing the employee side door exit, consistent with the observations of the agents who had surveilled him.

Agents also reviewed Darenberg’s employee key card transaction log in order to confirm whether Darenberg entered the firearms lock up area within the United States Courthouse before exiting the building. A review of his key card access log confirmed that Darenberg did not access the firearm lock up area on November 19, 2018. In addition, agents confirmed that Darenberg did not have permission from the United States Attorney’s supervisory staff to possess a firearm within the offices of the United States Attorney.

NDFL CONTACT / COMPLAINT AUTHORIZATION

Late on the afternoon of November 19, 2018, the above information was relayed to the United States Attorney's Office for the Northern District of Florida, contemporaneously with a recusal request from the Executive Office of United States Attorneys to the United States Attorney for the NDFL. Based on the authority granted by the recusal, a criminal complaint was authorized for violation of Title 18 U.S.C. §930(e)(1), Possession of a Firearm or Dangerous Weapon in a Federal Facility. At approximately 7:00 p.m., Darenberg was transported to the Baker County Detention Facility.

On November 20, 2018, the criminal complaint was filed; Darenberg was arraigned, and released on stringent conditions. As part of the pre-trial review, Darenberg tested positive for marijuana and amphetamines.

SEARCH WARRANT RECEIPT / EXECUTION

Following Darenberg's arraignment, agents requested and received a federal search warrant for his truck, which had been under constant surveillance since his arrest the preceding afternoon. Upon execution, agents recovered a loaded Sig Sauer 9 millimeter pistol (a round chambered and the hammer cocked); a plastic cup filled with marijuana, the HP laptop computer described by T.P., an Apple iPad mini, six thumb drives, and multiple SD cards.

FORENSIC COMPUTER EXAMINATION

Examination of Darenberg's HP laptop revealed approximately 1630 images of child pornography, of which approximately 270 were videos. A sample of three of the files that were captured in the screenshots taken by T.P. and subsequently recovered from Darenberg's laptop are listed below. Both the harddrive and the HP laptop were manufactured in China, and as such were shipped and transported in interstate and foreign commerce.
